Dear Sir/Madam

I am writing to you to acknowledge that **Prime Appointments** are a registered Charity of the Year fundraising partnership and supporters of the Alzheimer's Society. (**PV 4268077**). Prime Appointments have very kindly chosen to support us by holding a number of fundraising events throughout the year coming year. Alongside doing this they will also be raising awareness of dementia.

Dementia devastates lives. By 2021, 1 million people will be living with the condition. But dementia won't win. Until the day we find a cure, Alzheimer's Society will be here for anyone affected by dementia - wherever they are, whatever they're going through. Everything we do is informed and inspired by them. We are the UK's leading dementia charity. Every day, we work tirelessly to find new treatments and, ultimately, a cure for dementia. We provide expert information, training, and support services to all those who need our help. And we are creating a more dementia-friendly society so people with the condition can live without fear and prejudice.

Please accept this letter as proof from our organisation that Prime Appointments are indeed our supporters and anything you might be able to do to assist them would be greatly appreciated by Alzheimer's Society. **Rebecca Clarke and Holly Warren (employees of Prime Appointments)** are currently looking for raffle prizes to support their first event 'Elf Day' on 7<sup>th</sup> December.

If there is anything else that you might need from me or if you require more information, please do not hesitate to contact me on 07525 403826 or via email [mussara.gray@alzheimers.org.uk](mailto:mussara.gray@alzheimers.org.uk)

Yours faithfully
